Highlights for Everyone

JESUS UNIVERSITY 2010 was a tremendous success!

113 students, 22 small group leaders, hundreds of volunteers. We tackled nearly 30 projects around Snohomish County, as well as Tukwila. Our students worked tirelessly to love on our community with senior citizens, refugee kids, homeless, disabled adults and the general public. What did people have to say? *“These teenagers have restored our faith in the next generation!”* Our speakers and bands were awesome. DVDs of the speakers will be available in the next couple of weeks. THANK YOU, THANK YOU for your prayers, your support and your efforts! **This is not a youth event, but a church wide endeavor.**
