

# World Impact Through Missions At Snohomish Community Church

SCC has a direct impact on international communities when we support missionary families around the world. These families bring God's word to unreached people on four continents. Missionaries and their families impact lives in local and regional communities by communicating and demonstrating God's love through church-planting, Bible translation, medical services, discipleship and teaching.

## STRATEGIC PARTNERSHIP MINISTRIES

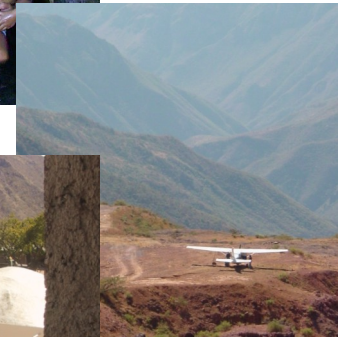

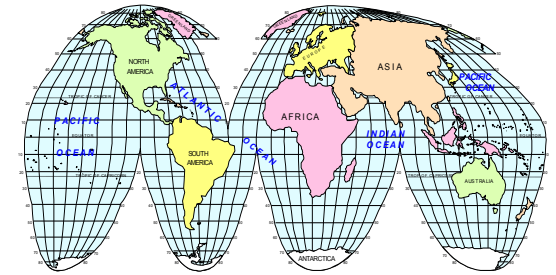

**Global Surge Ministries:**  
Partnering in  
development and outreach in greater  
Manila.

**Mexico Caravan Ministries:**  
Partnering in house-building and first-time exposure to mission trips to El Florido, Mexico.

**World Concern:**  
Partnering in relief and  
development in some of the poorest  
countries of the world.
